reFocus Awards Honors Axel Görlach in its 2024 Black & White Photo Contest

The reFocus Awards has announced the winners of its 2024 Black & White Photo Contest.

Among the exceptional entrants from 49 countries, Axel Görlach is among the top honorees at the 2024 Black & White Photo Contest.

From surreal portraits of the female body that challenge the typical nude form to conceptual, crisp, and sumptuous renderings of flowers that beg a second or third look, these images defy expectations. The honorees at this year's contest are exceptional examples of photography's power, and we are thrilled to have the opportunity to share these images with the world.

The reFocus Awards winners were chosen by an incredible panel of judges, including Gary Hershorn, Deputy Director of Photography at ABC News, Aaron St. Clair, Director of Editorial Content at Shutterstock, Casey Hanrahan, Director of Gilman Contemporary, Daniel Melamud, Editor at Rizzoli and many more.

Please join us in congratulating Axel Görlach for receiving the following honors at the 2024 Black & White Photo Contest:
